## *President's Message*

Hello,

February has been a messy, wet month and I can't believe it is almost over as well.

Scottsdale had the coldest, wettest show ever and we hope everyone made it back home safe.

To our college age and college bound members, it is time to start thinking about getting your scholarship information together. On the website, you can find information on several scholarships available throughout the Arabian horse industry, including our scholarship, the regional scholarship, and the AHA scholarship. Please pay special attention to the requirements of these applications and make sure you are being thorough when filling out every part of the application and submission of the proper documents.

Last, again we would like to invite you to attend our meetings. They are held on the first Tuesday of the month and are posted on the website and in the newsletter. Please remember to RSVP so the host can plan for the food.

Thank you and have a good month,  
AHASC
