

Dear Friends of the Arabian Performance Horse:

The Southern California Performance Futurity and Maturity was created to increase interest in raising and buying performance horses by offering large purses to the winners of these classes. Our much sought after belt buckles and the prize money checks are awarded in these classes held at the Arabian Horse Association of Southern California's Fall Show in Santa Barbara.

The show this year will once again highlight the performance horse. We have lots of fun planned including the return of our popular Ice Cream Social and our Exhibitor's Appreciation Dinner.

Please be sure to read the Futurity/Maturity rules carefully before making your entries. Futurity classes are for 3 year olds. Maturity classes are open to 4 & 5 year olds but we have a change this year. To allow the few Amateurs who wish to show their 3 year olds in an ATR class **ALL OF THE MATURITY ATR CLASSES WILL BE OPEN TO HORSES 5 YEARS OLD AND UNDER.** Our Senior Maturities are for horses 6 and over. In the Western classes, 5 year olds already showing in the bridle may elect to show in the Senior Maturity rather than the Maturity. In the Reining and Trail Horse classes, the futurity is for 3, 4, & 5 year olds and the Maturity is for horses 6 years and over.

**This year we will once again offer those who do not want a Trophy Buckle to instead receive \$150 in its place to be mailed to them after the show. This amount is in addition to any prize money awarded to them in the class. This request needs to be made before the end of the show and the buckle awarded must be returned undamaged in its original box.**

Please be sure that both the first and second payments are to be sent to the Futurity/Maturity Secretary. **DO NOT SEND PAYMENTS TO THE SHOW SECRETARY WITH YOUR ENTRIES.** However, remember that you must be sure to also enter the show with the show secretary.

In order to be able to award the prize money and trophy buckles, it is necessary for us to seek sponsors for these classes. The cost of a Futurity/Maturity class sponsor is \$100 each. We really need to get each and every class sponsored. If the class you request is taken you will be assigned another class at the show. Thank you for your support.

Sincerely,  
AHASC Futurity Committee
