President's Message

Hello Everyone,

Covid-19 can go away!!!
It is so hard to see shows being cancelled or postponed, people out of work and businesses closed. Hopefully, we can start opening things up slowly, very soon. I hope everyone had a chance to take the survey on "Would you go to a show" This way we can decide how to run shows, when we can start doing them and what the new shows will look like.

I know there are barns and trainers letting owners and boarders come and see their horses, and some are starting to do lessons again. Everyone, remember to practice safe distancing and limit lessons to one at a time, so you can try to disinfect between each rider. And if you feel you are at risk or have family you are concerned about, please Stay home and continue safe distancing.

Currently the Stay at Home order is until May 15th, but USEF has extended their closure until May 31st. Region 9 is working on putting their show on the end of May, but you will not be able to use any USEF points for Horse of the Year or USDF points.

Our Zoom board meeting worked out great for April. I think we will continue this for a few months. It was great to see and hear everyone. Technology is wonderful. Our next Board meeting will be on Tuesday, May 5th. Cinco De Mayo!!!. So, everyone have your Margarita in hand. I will email Board Members the link to get on the call. If anyone else would like to be on the call, let me know. We will do a short Show meeting and Social time first to catch up with each other and let everyone get on the call. The meeting will follow after.

I look forward to seeing everyone very soon.
For now, Stay Safe
Warmest Regards

Debbie Price
President.
