SANTA BARBARA, CA

SOME HORSES WILL TEST YOU, SOME WILL TEACH YOU, AND SOME WILL BRING OUT THE BEST IN YOU.

PRESIDENTS MESSAGE

Hello Everyone!

We would like to offer congratulations to all those that competed in Scottsdale. I am sure you are all resting and enjoying being back at home.

The club is in full swing with the planning for our 80th Fall Show. The show will take place at the LA equestrian center again this year. Please mark your calendar for September 20 through the 22nd, and make plans to join us.

Just a quick reminder to our college bound students as well as any students heading off to trade schools. Our scholarship is on the website and it's time to start planning so that you can get your scholarship package in on time. Please check the website for information on the application and deadlines for the scholarship.

If you would like to attend a meeting, we meet the first Tuesday of every month. Please RSVP to a member of the board or send an email to the Club email. For zoom meetings we want to make sure you get the invite..

Have a great month,
Laurie Henkel
